ALFIE DAVIES

is a 17 year old racing driver from the South East of England who we are delighted to welcome to the Collectively Camberley Car Show today. Having successfully worked his way up through the karting ranks he is now embarking on his professional racing career in cars. Driven and competitive with an appreciation of motorsport from both a driver and mechanical level, anything with 4 wheels and an engine, he'll jump in and drive to its limit! He is also an instagram influencer with 11k followers and growing!

@LoveCamberley

Welcome to the Collectively Camberley Car Show 2025!

Thank you for joining us for the 14th year of the annual Collectively Camberley Car Show, a unique event in the calendar where we welcome all cars and car lovers to our town for a day of celebration.

We have many categories for our car show awards, catering for old and new cars alike with all attendees entered. The awards will be judged this year by racing driver, Alfie Davies, The Deputy Mayor of Camberley, Councillor Cliff Betton and Seymours Estate Agents who are kindly sponsoring the awards again this year. The awards will be presented on Park Street at approximately 3pm where we hope you'll join us.

The event plays an important role in raising funds for charities and good causes with more than £80,000 raised by the Car Show throughout the years. We're pleased to say for 2025 that we are continuing our partnership supporting The Kidney Fund charity. You can find out more in this programme about this incredible charity and the vital work they do.

The magnificent "Sporting Bears" are back again this year offering passenger 'Dream Rides' in an array of super sports cars based on Obelisk Way at the top of the High Street. The Dream Rides will support raising further funds for local charity Chloe & Sophie's Special Ears Fund alongside Kidney Research UK.

Whilst you are on the High Street, be sure to test yourself at Howden's Pit-Stop Challenge which returns for 2025! We also welcome back racing driver Alfie Davies who will be based on Park Street with his Genetta Racing Car. You can chat with this phenomenal young racing driver and make sure to grab a selfie!

This year's character cars include the Jurassic Park Jeep at The Square Shopping Centre and Dumb and Dumber's "Mutts Cutts" sponsored by Places Leisure, based on Park Street outside Seymours Estate Agents. The Atrium are hosting Disney Car's Tow Mater truck and Bumblebee and Optimus Prime will also be visiting The Square Shopping Centre throughout the day so make sure to call in and see them all!

Finally, we would like to say a huge thank you to all the people that make this event possible and help keep everyone safe on the day. The Camberley BID businesses that fund this event, the amazing security team and first aiders, all of the stewards and volunteers and YOU, all the people who attend and donate and make this event special every year. We hope you enjoy today's event and be sure to come back again next year!

ABOUT COLLECTIVELY CAMBERLEY

Collectively Camberley is a not-for-profit organisation who are funded by and work for over 380 businesses within Camberley Town Centre. Our mission is to make Camberley a destination of choice for shoppers and visitors, as well as a thriving location for residents and businesses alike.

We are responsible for large town centre events such as the Collectively Camberley Car Show, Camberley Armed Forces Day Celebrations and Summer Events and Programmes.

We oversee hanging baskets and floral displays around the town centre, many of the Christmas Lights installations and also manage the annual Business Awards promoting and celebrating local business and people.

We also promote the town via social media and our website as well as offering support and services for businesses. Follow us on @LoveCamberley to keep up to date with all things Camberley!

On behalf of Collectively Camberley and all of our businesses, we hope you enjoy your visit to the town and we look forward to seeing you again.

The Kidney Fund is a patient driven charity dedicated to funding research to improve diagnosis and care of patients with kidney disease and hopefully contribute to finding cures for chronic kidney disease.

Established in 1989, The Kidney Fund (formerly known as the South West Thames Kidney Fund), represents the interests of kidney patients from Croydon to Camberley and Carshalton to Crawley, covering Surrey and South West London with a population of over 2 million people. In 1998 Lord Rogers of Riverside opened the South West Thames Institute for Renal Research (SWTIRR), a dedicated research institute funded by the Kidney Fund. The Fund continues to support the Institute and to fund research fellows to carry out the lifesaving research.

The Kidney Fund relies on the kindness and generosity of kidney patients, their families and their friends to continue their work and research. We would like to thank Collectively Camberley for their continued support in our fund raising efforts through the Annual Car Show.

We look forward to welcoming you at our gazebo located on Park Street where you can find out more about our work. Donations can be made today in the red donation buckets around the town and also online by visiting: www.kidneyfund.org.uk/donate.html

SPORTING BEARS DREAM RIDES

The Sporting Bears are a dedicated group of classic car and sports car enthusiast's with one primary aim - to raise money for children's charities through offering "Dream Rides ©" in their amazing cars in exchange for a donation. Since the Club was formed in 1989 they have raised over £3,000,000 for children's charities in the UK.

100% of your donation today goes to our chosen local charity; The Chloe's and Sophie's Special Ears Fund, as the drivers and volunteers donate their time, cars, fuel, insurance, etc.

How it works:

1. Please visit the Sporting Bears stand on Obelisk Way
2. Browse the "Cool Wall" and decide which of the amazing 20 cars you'd like a passenger ride in
3. Note the number and suggested donation, and remember the amount is PER CAR not per passenger, so feel free to use all the available seats with your family & friends!
4. Go to the lovely people on the booking desk and book your Dream Ride for the time of your choosing during the day
5. Enjoy your ride, ask as many questions as you like, make lot's of noise and take lots of pictures!

CHLOE'S AND SOPHIE'S SPECIAL EARS FUND

Chloe's and Sophie's Special Ear Fund brightens the lives of Deaf children. Our practical and emotional support helps Deaf children overcome barriers that prevent them from accessing the same opportunities as their hearing peers. In the UK right now, 40% of Deaf children battle mental health problems, compared to 25% of hearing children.

The average reading age of a Deaf child when they leave secondary school is nine. CSSEF comes together to change this. We work to combat the barriers that can prevent Deaf children from thriving.

We do this through:

- Raising Deaf Awareness to improve social inclusion of Deaf children in schools.
- Enhancing the sound acoustics in classrooms and school halls so that Deaf children have equal access to education, through specialist equipment and materials.
- Improving emotional and social wellbeing through the provision of resources and equipment that enable Deaf children to be children. This could include a bike helmet that can be worn over hearing aids or a water cover for an aspiring swimmer with cochlear implants.
- Creating a supportive network of families at Deaf Hub and an inclusive program of activities, building an improved mental wellbeing and reducing feelings of social isolation.

Funding access for parents of Deaf children to learn BSL Level 1 and Level 2 so that families can communicate without feeling frustrated.

We currently support 400 families across Surrey, Berkshire, Hampshire, London, Wrexham, Flintshire and Denbighshire. With over 700 Deaf children in Surrey our mission is to make an everlasting positive impact on their lives to today, tomorrow and beyond.
